# INVITATION

Dear Colleagues and Friends,

On behalf of the Turkish Chemical Society, we cordially invite you to join us for the Euroanalysis XX Conference to be held from September 1<sup>st</sup> to 5<sup>th</sup>, 2019 in our beautiful city of Istanbul, Turkey. The meeting will be hosted by the Analytical Chemistry Division of the Turkish Chemical Society and the local organizers Ankara University and Istanbul University in collaboration with Division of Analytical Chemistry of European Association for Chemical and Molecular Sciences (DAC-EuChemS).

Euroanalysis XX will cover all aspects where analytical chemistry plays a role including fundamental and applied sciences. It will offer plenary and keynote presentations on cutting-edge topics by internationally renowned leaders of the field, followed by contributed talks and poster presentations to stimulate interdisciplinary discussions. A Young Researcher's Session will be organized to provide opportunities for and encourage Ph.D. students and postdocs to share their findings.

It has long been said that Istanbul is a bridge between Europe and Asia and now we can expand that to all continents as we are pleased to welcome premier analytical chemists and other chemistry related scientists from all over the world to enrich our knowledge with their lectures and presentations.

The venue of Euroanalysis 2019 will be a large complex of auditoria in the main campus of Istanbul University which is the oldest university of Turkey. It is favorably located in the heart of the city, an area very close to the historical places and very well served by road links and public transport.

In addition to the scientific program, exciting social events are being planned. There are few cities in the world that can be rival to the splendor of Istanbul. Amazing sights, tranquil places off the beaten trail, world renowned cuisine and a very rich cultural tradition await you. We hope to give all participants a chance to experience Turkish history and culture along with traditional Turkish hospitality. We suggest that you spend a few extra days in order to really experience the true spirit of Istanbul.

To keep up-to-date with the conference, please bookmark the web site:

We look forward to your participation in Euroanalysis XX in September 2019 and welcoming you in Istanbul.

Yours Sincerely,

**Prof. Dr. Sibel A. OZKAN**

**Prof. Dr. Mehmet MAHRAMANLIOGLU**
